

## 2023-24 Saline Fiddlers Philharmonic Sponsorship Opportunities

The Saline Fiddlers are entering their 30th year in operation, performing all over Michigan, touring the mid-Atlantic, playing in front of the US Capitol, meeting new friends and inspiring a love for traditional fiddle music. However - we're still recovering from the COVID era and rebuilding our membership, and we've been hit hard financially. Can you donate?

### Who are the Saline Fiddlers?

A highly entertaining and energetic group of high school fiddle performers from Saline, Michigan. The "Fiddlers" are a non-profit group that entertains audiences with traditional and non-traditional fiddle tunes; fusing folk, bluegrass, mountain music, western swing, Celtic, jazz, pop, and American classics.

### Why Your Company Should be a Sponsor?

The Saline Fiddlers offer a unique opportunity to build a cultural bridge between Saline and other parts of the state and country. Becoming a sponsor not only positively impacts the young people in the Fiddlers, but more importantly allows them to spread their musical knowledge and commitment to excellence and hard work to a whole host of people along their path. Sponsorship funds may also be used to help provide scholarships to members who may otherwise have difficulty covering the cost of tuition.

### What Benefits Will Your Company Receive as a Sponsor?

The primary benefit is the positive public exposure that your company would enjoy. This publicity would take place over a year, providing more exposure than sponsorship for a single event. Depending upon your sponsorship level, there are a variety of benefits shown on the next page. If you chose to be an "Orange Blossom Special" level sponsor, for example, you can have the Saline Fiddlers Philharmonic play at one of your corporate or community events.
